Message from the Chairman

Since 1992, We continuously challenged new venture and established **Bangladesh** business in 1995. From that moment, We have been trying our best efforts to develop the various **Korea & Bangladesh**'s Joint Collaboration Business to challenge the global Market.

Currently, **B&F Group** has a good set up for supporting global business based on Korean advanced technologies, experience, financing and **Bangladeshi** competitive manpower supplying.
Recently **Bangladesh** has become the 2nd biggest exporter of Ready Made Garment in the world. This was the good example for Korea-Bangladesh joint collaboration development since it was initiated by the Korean Business Group.

We have good experience and performance of **ICT, Power**, **Civil & Construction** and other various **ODA** Projects in **Bangladesh** During last two decades. We had been worked with International Companies for various **Bangladesh** Projects as a local partner with Bangladesh peoples. Therefore we are focusing on Bangladesh workers and Korean Technology joint Projects to the Global market with competitive price.

Last 30 years Bangladesh has an important roles to provide cheap manpower to middle east construction Projects and Korean Construction companies has good reputation for Civil and Construction, New City Construction, and different type of Plant in Middle East, Africa and other 3rd world countries. For this field, **Korea and Bangladesh** joint collaboration will be another sector for success.

Based on well Understanding **Bangladesh** and **Korea**, Project details, Human Resource & Project Management, Proper Manpower selection & training, We are ready to support your company Bangladesh Project as well as overseas projects by providing competitive price and ensuring project completion on time.

We will be your sincere partner for business growth.

You are always welcome.

Best Regards
Park, Chong Wan
